## THE WORLDS OF MAURICE SENDAK IN A NUTSHELL

The national traveling exhibition opens at the Westhampton Free Library on Sunday, July 10, 2011 and will remain on exhibit at the library until Thursday, August 18, 2011. Popular children's author Maurice Sendak's typically American childhood in New York City inspired many of his most beloved books, such as *Where the Wild Things Are* and *In the Night Kitchen*. Illustrations in those works are populated with friends, family, and the sights, sounds and smells of New York in the 1930s. But Sendak was also drawn to photos of ancestors, and he developed a fascination with the shtetl world of European Jews.

This exhibit, curated by Patrick Rodgers of the Rosenbach Museum & Library in Philadelphia, reveals the push and pull of New and Old Worlds in Sendak's work and shows how Sendak's artistic journey has led him deeper into his own family's history and his Jewish identity. *In a Nutshell* was organized by the Rosenbach Museum & Library, Philadelphia, and developed by Nextbook, Inc., a nonprofit organization dedicated to supporting Jewish literature, culture and ideas, and the American Library Association Public Programs Office.

The national tour of the exhibit has been made possible by grants from the Charles H. Revson Foundation, the Righteous Persons Foundation, the David Berg Foundation, and an anonymous donor, with additional support from *Tablet Magazine: A New Read on Jewish Life*.

While the exhibit is intended for an adult audience, older children will enjoy it as well. The library will present a number of special programs that complement the exhibit. Programs are intended for an adult audience unless otherwise noted.

## HOW TO JOIN THE LIBRARY

To our Remsenburg, Speonk, Eastport, South Manor, Manorville, East Moriches and East Quogue residents, we invite you to join the Westhampton Free Library. The library contract vote, approved by voters in your district, provides you with an opportunity to receive full library service from us. You may designate only one library as your "home library" for the period beginning July 1, 2011 to June 30, 2012. It is important you choose the library that is best suited to the needs of you and your family, as you only have one opportunity to make this selection each year.

## JOIN US IN THANKING MICHAEL LENNON FOR HIS SERVICE TO THE LIBRARY

Michael Lennon is leaving the Westhampton Free Library Board of Trustees after volunteering to serve on it since August 2001. Most recently he has served as Board President since July 2007. The community is invited to a reception to thank Mike for his service to the community on June 29 at 6 pm.

Mike had served as Secretary of the Board and its Vice-President before taking over as President. His leadership was evident in helping the community achieve its vision of a new library facility. Mike made himself available whenever he was needed during the many meetings, calls and documents to be signed throughout the process.
