WESTHAMPTON FREE LIBRARY

MAY/JUNE 2014

Serving Westhampton Beach, Westhampton, East Moriches, Eastport, East Quogue, Manorville, Quiogue, Remsenburg & Speonk

The mission of the Westhampton Free Library is to serve the community; cultivate knowledge; promote curiosity; and inspire lifelong learning.

A Message from the Director

There are lots of exciting things happening at Westhampton Free Library. I want to first welcome our summer residents back and I look forward to seeing you at the Library. We have a variety of fun and educational programs for children, teens and adults planned. The Library has joined other Suffolk County Libraries as a stop on the 3-D Printer Tour. It will be at our library from July 11-24. Our technology team is preparing a tech-fest day to coincide with the dates the printer will be here. It is a wonderful opportunity for our community to see this new type of printer first hand. Lastly, I want to thank all of you for your support and library patronage. We are who we are because of you. See you in the Library soon! - Danielle Zubiller

Happy Anniversary to Dave Jones

Technology Librarian Dave Jones will be celebrating his 10th Anniversary at the Westhampton Free Library this June. "I was hired as the Head of Reference & Adult Services in 2004. In 2005 I added Teen Services to my list of duties before moving to be the Head of Cataloging and Teen Services in 2010. In 2012 I was given the opportunity to create a new department called Computers and Digital Services department," said Mr. Jones. The Computers & Digital Services Department staffs the Inspiration Bar located in the front of the library. The name "Inspiration Bar" comes from the Library's aim to inspire patrons in incorporating technology into their lives. "The two greatest joys I get from my job are helping people learn new technology and working with our community's youth. Educating our patrons on how to use computers and other electronic devices including the library's digital resources gives me great satisfaction," he said.

Since 2005 he has led the Library's Saturday evening teen programs. "It gives me tremendous pride to see our community's youth grow into adults," he added.

He loves all things technology and found that by being a librarian he was able to help people not only understand technology, but use it and enrich their lives. Coming to work at Westhampton Free Library was a great decision. "We have the greatest patrons, who really love their library, and it fills me with pride to see them enjoy their time here. I love that Westhampton is a small, friendly community where everyone knows your name," he concluded.

Dave Jones is a tremendous asset to the Westhampton Free Library and the community. The next time someone says the library is just books, introduce them to Mr. Jones and their perception of libraries will change.

FRIENDS OF WATER COOPERATION POETRY CONTEST WINNERS:

We end the 2013 Friends of the Library Poetry Contest with these two winners:

Rain Must Fall by Jacey Rubin

Life
You can't have a rainbow
Without any rain
People around the world, walking in rain
While others sit in pain
We never notice how much we use it
While others wish they could
We say we want it
But others need it
You take a nice shower
Clear and cleansing
It drizzles and dribbles right down through the drain
But someone stands to shower in the rain
We waste water
While others suffer from the lack of it
Nature, it thrives with water and nutrients
For ever life to succeed
Rain must fall.

That's All Gone Now by Kyleigh Tufano

The rain dropping on us
Refreshing us
But that's all gone now.
The waterfall hypnotizing me
As I pass you by.
I see the water dripping down
But that's all gone now.
The kids are playing in snow
Throwing snowballs,
But that's all gone now.
I go to clean myself in the shower
I turn on the water.
It does not come out
Because that's all gone now.

About The Friends of Westhampton Free Library

The goal of the Friends of the Westhampton Free Library is to enhance the Library's services to the community by securing resources to support Library programs and projects not met by public funding. Our membership drive is our chief source of fundraising.

We are proud to be an integral part of a Library that provides such a vibrant and vital resource for the community. We on the Board of Friends, however, are most proud of the wonderful programs for our children – especially seeing our teenagers finding this safe environment one that is fun and worth spending their time in.

We had 12,591 registered patrons in 2013. Our goal would be to have each patron sign up as a member of the Friends- which would be a direct reflection of how satisfied our Patrons are with the programs and services the Library provides.

Would you like to become a member of the Friend's Board? We meet every third Thursday of the month at 10 am in the Library. We also need volunteers to help with our book sale and collection of used books.

FRIENDS OF THE LIBRARY BOOK SALE

Stop by the Library the third Sunday of every month for the Friends of the Library book sale. Who knows what literary treasures or guilty pleasures you'll find. See you here!

EVERYBODY NEEDS FRIENDS... ESPECIALLY THE LIBRARY!

Please join and be part of our continuing program of exciting library events.

All donations are tax deductible.
