**JULY-AUGUST 2017  
PROGRAMS FOR GRADES 6-12**

This year's summer reading theme, **Build a Better World**, is perfect for getting more locally involved. It can be as personal as implementing kindness on a daily basis, or starting a positive community initiative with friends. There are many programs and service opportunities for you to participate in. Ask a Teen Librarian about what programs and materials we've organized to help you get started. Also, check out our *Random Acts of Kindness Board*. ## Teen BLVD Recommends...

*The Infernal Devices trilogy by Cassandra Clare*  
*Clockwork Angel, Clockwork Prince, Clockwork Princess*

If you've read some of *The Mortal Instruments* series and love the *Shadowhunter* world you should also read *The Infernal Devices*. It takes place 200 years before the *Mortal Instruments* involving the families of the characters you have come to love. The two series entwine with each other in pure genius by Cassandra Clare. If you love the *Shadowhunters* television show then start the books!
