

Bulletin Board

The Library may permit leaflets, newsletters, or flyers to be posted on the Community Bulletin Board and displayed in the literature racks for distribution to the public.

The Library will post and/or display:

1. Official government announcements and communications.
2. Listings of cultural and educational events to be held within Suffolk County.
3. Announcements of public meetings and other events sponsored by non-profit community organizations.

The Library will not post:

1. commercial announcements
2. advocacy messages
3. endorsements for any political candidate or party
4. personal notices
5. "For Sale" notices
6. anything defamatory or slanderous in nature
7. notices without name and contact information
8. similar items of this nature

All materials to be posted must first be approved by the Library Director.

Requests for display of materials are subject to the availability of space. The Library reserves the right to restrict the size of posters and announcements and the time span in which materials will be kept on exhibit.

The Library assumes no responsibility for the preservation, protection, or possible damage to or theft of any notices displayed.
