

## **Pets in the Library**

For both health and safety reasons pets are prohibited from being in the Library. The only exceptions are 1) those “appearing” at the Library as a part of a Library-sanctioned program and 2) trained service dogs (as defined in New York Agriculture and Markets Law section 108) for patrons with disabilities (as defined in New York Executive Law section 292 and relevant federal law).

Adopted by the Board of Trustees: September 12, 2003  
Amended: June 2010
