

Unattended Children

For your children's safety and comfort, the Westhampton Free Library asks that all children below the age of 10 be accompanied and supervised by a parent or responsible caregiver 16 years old (or older) who is designated by the parent or guardian as being the supervisor of the child.

Parents or caregivers, not the Library staff, are responsible for the behavior and supervision of their children while using the Library.

The Westhampton Free Library does not assume responsibility for children's safety or behavior when they are in the Library.

Parents or responsible caregivers may be notified if their children are left unattended and require supervision.

If parents are unavailable, proper authorities may be contacted.
